

WORKSHOP for the FOOD PROCESSING INDUSTRY

03/02/2011
Budapest

Within the frame of
AgriFoodResult and DREAM projects
supported by the European Union's FP7,
a one day workshop is organized

Your partner for innovation in food

Sym'Previus is a decision making tool which complies
with Regulation (EC) No 2073/2005 related to relevant
microbiological criteria in food.

You want to :

- Ensure food **shelf-life**
- Accelerate food **innovation**
- Reinforce your **HACCP** Plan
- Optimise thermal **processes**

PARTICIPATE TO THE WORKSHOP !

It will take place in Budapest
Thursday, 3rd, February 2011

From 9:30 to 16:30

Group limited to 12 persons
